Presentation Instructions – DZG26 Conference Guidelines

Talks: Tuesday - Thursday

Time allocation for contributed talks

Each presenter should prepare a 12-minute presentation. The session schedule is structured as follows:

- 12 minutes – Presentation
- 3 minutes – Questions

Please note that adherence to this tight schedule is mandatory. All presenters are asked to respect the time limits to ensure smooth session flow.

Submission and Venue

- Presentation room: See signs on-site
- Talk Submission: Presentations should be uploaded PowerPoint compatible or as PDF files. Preferably during registration - Computers for uploading your talk are provided at the registration desk. Alternatively, you can submit your presentation a day before your talk at the desk in the lecture hall you will give your talk (see detailed program).
